Dear Mr. Purdy:-

You will recall that during the middle of May, just before the subscription for the Joan of Arc Medal closed, you asked me to send on Mr. Holbrook's account two bronze copies. These we delivered at your store a few days before Mr. Holbrook's death, and I presume the matter has been overlooked. May I ask that you look into the matter, and let us hear from you at your convenience.

Very truly yours,

Secretary.

Dear Mr. Noe,

Thank you very much for the courtesy of yours  
of the 26th. We have all been much disturbed by the sad  
event of which it speaks. The medals were sent down to me  
by Mr. Holbrook's Secretary but I do not remember whether  
he sent me the bill or not. If however, you will be kind  
enough to see that one is sent to me immediately made out  
to the Gorham Company, this time, if possible and also  
bearing the current date, also if possible, I will see that  
it is paid.

Yours very truly,

THE GORHAM CO.

Gentlemen:

With reference to your inquiry regarding the Peace Medals. We find in going over our records very carefully that there were two medals still open to your account, one of which we have returned to you within the last few days and a check for the second one will be sent to you at the expiration of the allotted time. This closes the entire transaction.

We note from your letter that your records call for three medals, but we find that bills have been passed thru our office for all but the one which was returned and the one which is still due for payment.

Very respectfully yours,

THE GORHAM CO.
